

California State Assemblymember Susan Eggman (AD-13 Stockton) will join us April 12th for Literature, Leadership and Lunch!

Assemblymember Susan Eggman leads the effort to turn California's Central Valley from red to blue. We heard her call to "send us more women!" at a time when 80% of Legislators were men. Today, women make up 30% of the Legislature. Join Asm. Eggman to celebrate our progress as she shares her perspective on the difference women are making. Assemblymember Eggman is a veteran, a former social worker, a professor, Chair of the Assembly's Agriculture Committee, Past Chair of the LGBTQ and Women's Caucuses, and author of groundbreaking pay equity legislation.

Join **Mary Hughes**, Founder of Close the Gap CA, as she discusses this question with acclaimed authors **Liza Monroy** and **Vanessa Hua**.
