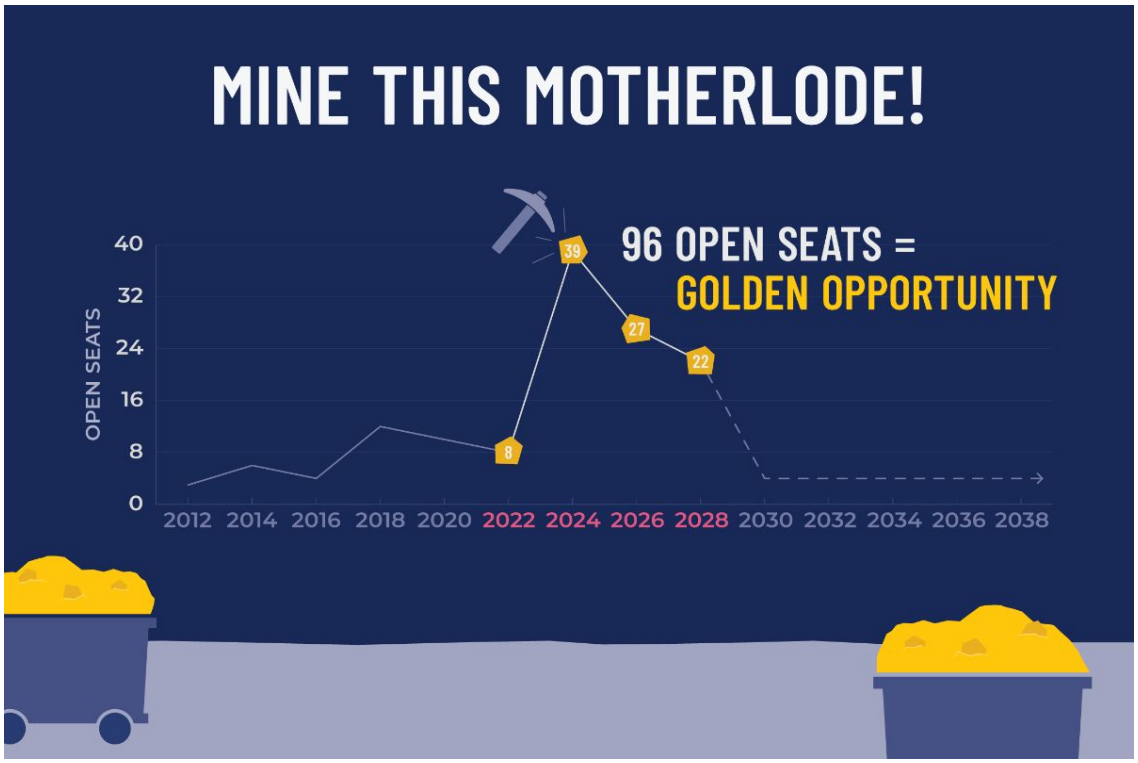
Wanted: Recruiters to Mine the Motherlode!

We're growing to meet

A GOLDEN OPPORTUNITY!

Close the Gap California aims to hurry history and we need your help to do it. Between 2022 and 2028 more than 96 legislative seats will open up. If we can recruit accomplished, progressive women to run in every one that's winnable, we will achieve gender parity in the Capitol.



RECRUITERS WANTED!

To meet this challenge, we need to triple our numbers.
That's right. We're looking to add recruiters.

Can you help mine the motherlode of open seats ahead?
Recruiters identify prospective candidates, research and vet them, then meet and gauge their interest. When a promising prospect is interested, recruiters explore with her what it means to be 'ready" and what it takes to win.

It's GO time for Recruiters
A quarter of all women legislators serving today were recruited by CTGCA. The next wave of superstar policymakers is out there, but we need you to help us find them.

The Wall Street Journal, Forbes and CNN Business report that there are no longer any companies among the S&P 500 with all-male boards of directors. Each cited SB826, CA Senator Hannah Beth Jackson's legislation as one of the reasons.

CADem E-BOARD MEETING

On Saturday, August 24th Close the Gap California hosted a briefing at the CADem Executive Board Meeting in San Jose. "Recruiting the Recruiters" explained why we plan to triple our recruiting force and why you should consider becoming one of our Ace Recruiters. Join us!
