Please join us for lunch to support *close the gap CA*, a campaign to recruit progressive women to run for the CA legislature in 2016. A decade ago California ranked 6th in the nation for the number of women in its legislature; today we're 20th. CTGCA is doing something about that.

You can too!

close the gap CA is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can 'close the gap' and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
