RECRUITING TALENTED WOMEN

CA

LITERATURE, LEADERSHIP AND BRUNCH

Nina Tassler, former Chair of CBS Entertainment and author of “What I Told My Daughter: Lessons from Leaders on Raising the Next Generation of Empowered Women”.

Please join us for a brunch to support close the gap CA, a campaign to recruit progressive women to run for the CA Legislature. Nina Tassler will read from her book and discuss the difference women leaders make. A decade ago women comprised almost one-third of the California Legislature. Today women are only one-fifth of California legislators.

CTGCA is doing something about it. You can too!

close the gap CA is a campaign to increase the number of progressive women serving in the California Legislature by recruiting viable, progressive women to run for open seats in targeted, winnable districts. The campaign recruits accomplished women who are pro-choice, pro-public school

funding and support paths out of poverty. By partnering with CA progressive organizations, close the gap CA aims to achieve gender parity in the CA legislature in 2028.
