

Hello Allies of close the gap CA,

We are delighted to be working with you to recruit talented progressive women to run for open seats in the California legislature.

We've been researching many prospects to find ready, willing and viable candidates. The more targeted possibilities and thoughtful recommendations we have, the faster and better we can do our work. That's why we've devised a quick exercise based on a successful brainstorming experiment with NASA scientists! We hope you will participate.

The exercise is simple. It works like this:

Starting next Wednesday for three days, we will send you an email each morning with a question we're pondering. You will:

- Spend 5 minutes on your response
- Reply only to the sender - our communications director Laurie Kretchmar
- Receive compiled answers with your name attached in a "Daily Digest" along with a new question the next day

Are you willing to participate? Send an email to Laurie by 1 pm Friday telling her you're in! Laurie's email: laurie_kretchmar@yahoo.com

Then stay tuned for emails starting Wednesday.

Thank you,
