

Hi Friend,

Ok, we know this is a lousy time to ask but we really need your help now. In 2014, seven progressive women are leaving the CA state legislature. In 2016, we lose 7 more!

We're already working to replace them and we're excited about the women who are exploring candidacies. [But we need your help](#). Your support can make the difference.

If you're committed to increasing the number of progressive women in the CA legislature, please make a contribution by **11:59 PM Monday, Oct 6.**

With your contribution, we can:

- Put a candidate recruiter on the ground in LA. (We already have a great team in Northern California.)
- Consolidate progressive support for more women candidates.
- Introduce prospects to community leaders, donors and activists in their region.
- Connect prospects to Sacramento & Party leadership.
- Recruit a talented progressive woman for each winnable OPEN seat in 2016.

close the gap CA is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can “close the gap”™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
