Holly, Michaela, Sandra and - let's face it - all of us know we need more women in the California legislature. Talented, progressive women! Help us make it happen.

We are recruiting talented women in every winnable open seat for progressives in 2014 & 2016. There's no time to waste as the 2014 filing deadline is in March.

Please [make a contribution TODAY](#) - we'll use it to find more prospective candidates, organize search parties for 2016 and even pay for postage. Every dollar helps!

Think how great California would be if all our talent were working on the big issues!

As Michaela says, "Be a closer!" Give to close the gap CA.

**close the gap CA** is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can "close the gap"™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
