What would you GIVE to break 25%?

And achieve a more equitable future?

Would you be surprised to learn that across the nation no category of civic elective offices -- not in Congress nor among statewide offices, not in Legislatures nor among Mayors and city councilors-- are more than 25% women? Only School Board members are 40% women.

Tired of these statistics never changing? Want them to change in your lifetime?

Close the gap CA recruits progressive women in targeted districts to run for the CA legislature where only 22% are women.

Next Monday in Sacramento our recruits will be among those sworn in.

Make women's political advancement part of your philanthropy. Give today.
