TALENTED WOMEN WANTED

**CA**

**STOP THE SLIDE**

In 2003-2004 California ranked 6th among states for percentage of women state legislators. Today, we rank 20th. In 2016, we have a unique opportunity to stop the slide by fielding accomplished, viable women candidates in 19 targeted, winnable seats. Now is the time to recruit talented progressive women to run.

**close the gap CA** is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can 'close the gap' and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
