**THERE'S STILL TIME**

## **TO GIVE THE GIFT OF PROGRESS**

Sometimes, we don't get everything on our holiday list done by that midnight deadline.

Sometimes, we deliver a present a few days later. Three Kings Style. And it's just as well received, maybe even more special.

In fact, here at Close the Gap California, every gift received between today and 1/1/2020 will be matched 1:1. Procrastination has its rewards!

Launch the New Year with a commitment to promote women into decision-making positions in your company, your community and in your Legislature. Make a priority and make it real.

Back it up with a tangible contribution that supports your goodwill, to an organization with a record of recruiting women who run and win. That would be us at CTGCA. *Happy New Year!*

# ANNUAL REPORT

CTGCA is proud to announce that our 2020 Recruits are off and running! Check out the 2019 Annual Report for more on these powerful women, and a recap of the extraordinary year you helped make possible.

A graphic for the "Close the Gap" campaign. It features a thermometer with a red liquid level. To the left of the thermometer is a blue and red snowflake. To the right of the thermometer is a scale with two numbers: "\$75,000" and "\$53,600". The background is a snowy winter scene with warm lights. Text on the right says "We're so close to our end of year match! Your gift matters, donate today." In the bottom left corner is the "CLOSE THE GAP CALIFORNIA | WE RECRUIT" logo.

Your contribution of \$25, \$50, \$75, \$100, \$250, \$500, or \$1000 **helps us get one woman closer to true representation.**
