## Pitch in... for the girls

Hats off to Mo'ne Davis, the 11 year old who pitched her way into Sports Illustrated and is their "SportsKid of the Year!" We're all for pitching "like a girl!" and legislating like a champ.

Visit our [16 in '16 Indiegogo campaign](#) and join the "good sports" in search of treats to give or get for the holidays. Recruiting accomplished progressive women to run for office isn't expensive but it isn't free either, so please "pitch in."

- Cheer for your favorite team at the the Pac-12 Football championship at Levi Stadium (Game is this Friday, so this perk will be gone soon!)
- Watch the #1 ranked team in the Pac-12 play Basketball the way only the Stanford women can.

Have tickets to donate to a professional or collegiate game? You can do that until December 15th to help us raise even more for our "16 in '16" campaign! [Let Alice know!](#)

**close the gap CA** is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2016. With focus and a targeted strategy, we can "close the gap"™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
