Help us reach our stretch goal of \$9,000! With that extra money, we'll be able to evaluate additional talented prospects for every winnable seat for progressives in 2014 & 2016.

The window of opportunity is short, especially for 2014 - the filing deadline is just a few months away.

---

**close the gap CA** is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can “close the gap”™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
