Dear Friend,

You have been a faithful follower of close the gap CA. Thank you. [Can you join us and turn that interest into action today?](#)

In order to ensure that an accomplished, politically viable progressive woman runs in every one of our 16 target districts for 2016, we started recruiting last spring. Happily, we are finding outstanding prospects: County Supervisors, Mayors, School Board Trustees, City councilmembers, non-profit and community leaders.

They share our commitment to excellent public schools, accessible health and reproductive health care and to an opportunity economy that offers a path out of poverty.

Can you help us get these prospective candidates to say "Yes"? [Recruiting isn't expensive, but it isn't free either.](#) We can continue to provide the roadmap, connections, resources and mentoring that will turn these strong prospects into great candidates if you help.

Here are three easy ways to contribute:

Friend, can you join us?

**close the gap CA** is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can “close the gap”™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
