Please join us for lunch to support close the gap CA, a campaign to recruit progressive women to run for the CA Legislature. A decade ago California ranked 6th in the nation for the number of women in our legislature; in 2016, we ranked 22nd. CTGCA is doing something about that.

You can too!

close the gap CA is a campaign to increase the number of progressive women serving in the California Legislature by recruiting viable, progressive women to run for open seats in targeted, winnable districts. The campaign recruits accomplished women who are pro-choice, pro-public school funding and support paths out of poverty. By partnering with CA progressive organizations, close the gap CA aims to achieve gender parity in the CA legislature in 2028.
