In search of the perfect candidate? Our Webinar will give you the tools to identify and recruit winning women candidates. We'll talk geography, demographics, vote history and trends. Plus:

- Does the legislative leadership recruit candidates?
- What are the political parties looking for and where do they find the best prospects?
- What kind of experience do voters value most in a candidate?
- What online resources are available for prospects and recruiters?
- Q&A

See you Tuesday.
