# An Update from CA's Leading Reformer on Sexual Harassment

**With 16 open investigations (10 Assembly, 6 Senate), it appears that the Capitol's shameful saga of sexual harassment will continue to be front and center for some time.**

**The revelations have been sad and disturbing, but we do have reason to believe that thorough and fair investigations and a rigorous review and update of procedures will lead to a culture change.**

**Assemblywoman Laura Freidman, Chair of the Assembly and Senate's Rules' Subcommittee on Sexual Harassment Prevention and Response, will report on progress to date and where we are headed.**

**close the gap CA** is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2018 and 2020. With focus and a targeted strategy, we can 'close the gap' and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
