Together, we stopped the slide!

March 28, 2014

More CA women filed for office this year than in 2012!

76 women filed — 48 Democrats, 25 Republicans and 3 from other parties. That compares with 73 women in 2012, 43 Democrats, 26 Republicans and 4 other party candidates. Great work everyone! Especially to the late deciding progressive women who dove in, filed and are on their way!

close the gap CA is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can 'close the gap' and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
