Women's Day, but across the globe, women are continuously pushing for progress and gender parity. This year has already seen remarkable strides made by women - from the #TimesUp movement to the second ever Women's March - and it is incredibly encouraging to recognize just how far we have come.

This year's theme is #PressforProgress.

close the gap CA is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2018 and 2020. With focus and a targeted strategy, we can 'close the gap' and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
