Thank you, Madam Speaker!

Way to go, Carmen Chu!

Right on, Senator Jackson!

Earlier this week we launched **#ReadyForHerToo** to remind people that we don't need just one woman in high office, we need lots of us in

all elected offices.

Pictures are pouring in, the "asks" are multiplying and [we need your help to keep up](#). People want signs, speakers and templates for recruiting. We love the demand, but [we need your help to meet it](#).

Please give.
Every dollar we raise online will be matched up to \$10,000.

close the gap CA is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2016. With focus and a targeted strategy, we can "close the gap"™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
