

Hi Friend,

Today, there are more Committees in the California Legislature than there are women Legislators. Women Members are only 23%.

Sad and unacceptable. Close the gap CA is doing something about it. They recruit progressive women to run and their recruits are winning.

Join me in supporting this statewide campaign to reach gender parity in the CA legislature by 2028!

Ayelet Waldman and Irma Herrera will discuss the ways that gender, power and culture collide and what that may mean in this year of extraordinary political opportunity for women.

Close the gap CA is a campaign to recruit progressive women to run for the CA Legislature. A decade ago CA ranked 6th in the nation for gender parity in our Legislature. Today we're 32nd.

CTGCA is doing something about it. You can too!
