What we know now

Let's do the numbers this week. Next week we'll send a checklist of races from around the state you can track on primary election night.

Type of Race

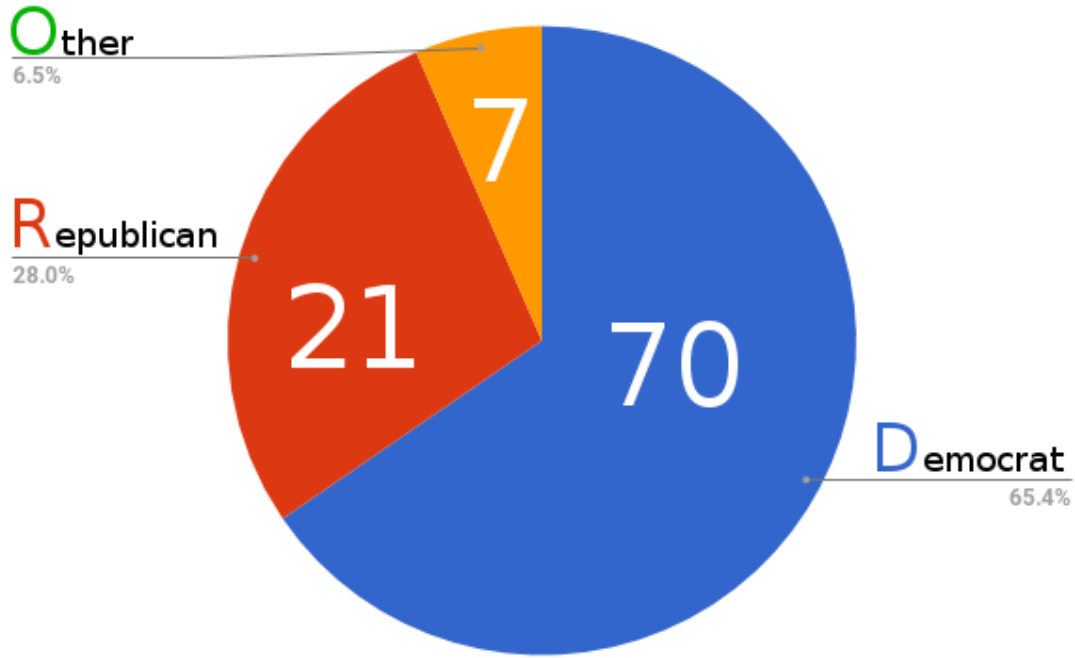

9 women are competing in all-women races

Party and gender

61
is the largest cohort of women nominated to run for the CA Legislature.

That happened in **2004.**

Stats since 1994

On June 5th, our largest-ever cohort of 98 will compete to advance to the top two in November.
