TALENTED WOMEN WANTED

We need you!

**If youâ€™re not at the table,
you may be on the menu**

While the Governor and legislative leaders debate the size of Californiaâ€™s revenue surplus, progressive women know just where to put that money: health access, school funding and reducing poverty. Women tend to the basics first.

Help us find talented women to win seats at the legislative table in 2014 and 2016.

close the gap CA is a statewide campaign to find talented, progressive women to run and win open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can â€˜close the gapâ€™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
