

\$20/month for 2020 Means More CA Women Legislators

While everyone else focuses on winning elections this fall, we're recruiting for 2020. That's how we work, one election cycle ahead.

*The good news: we find great women to run.
The bad news: contributions are much harder to come by.
The solution: will you give \$20/month for a year?*

\$ Donate \$

Your \$20 a month means a lot to us:

- *20 supporters donating \$20 a month adds a much needed Inland Empire recruiter.*
- *200 supporters donating \$20 a month adds recruiters in Sierra North, Central Valley, Inland Empire and Orange*

County.

- *2,000 supporters donating \$20 a month doubles the capacity of our Sacramento Symposium and adds a Southern CA hub.*

Your \$20 a month contribution means more to you, too!

- *1 ticket to a Literature & Leadership event of your choice*
- *In depth Quarterly Reports on our recruiting progress*
- *2019 “lay of the land” pre-filing briefing with ED Susannah Delano and founder/political consultant Mary Hughes*
