RECRUITING TALENTED WOMEN

**2016 recruiting is underway and we need to know:
Are you in?**

Recruiting ISN'T expensive but it [isn't free](#) either.

Recruiting IS the most effective way to ensure that accomplished progressive women - women who will work to close the wage and wealth gap; improve public schools and expand access to health care - will step up and run for the California legislature.

We're focusing on the unique opportunities of 2016 now. We're recruiting in 16 winnable districts. Women up and down the ballot stand to benefit if a woman is nominated for president. With your help we can recruit the largest, most diverse class of talented, progressive women candidates ever to stand for election to the California legislature.

That's what we're working on.

close the gap CA is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can "close the gap"™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
