If you ever needed a reason why we need more women in state legislatures, here are two words:

Wendy Davis!

The Texas state senator amazed Texas and hundreds of thousands of people across the U.S. when she filibustered for 13 hours to prevent passage of a restrictive abortion law for the 2nd largest state in the nation.

**close the gap CA** is a statewide campaign to find talented, progressive women to run and win open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can "close the gap"™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
