close the gap CA's allies are doing great work. Check it out:

Subtraction

Imagine a California Legislature without **Assembly Speaker Toni Atkins**, without **Senators Carol Liu, Loni Hancock, Fran Pavley or Lois Wolk**; without **Assembly members Nora Campos or Susan Bonilla**. They **ALL** term out in 2016.

Addition

There are 31 women among the 120 Members, or **just 26% of the California Assembly and Senate today**. California ranks only 20th in the nation.

We can do better. [Let's replace 7 and add 9 accomplished, progressive women.](#) We're on it, but we need you too.

Congratulations!

close the gap CA is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can 'close the gap' and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
