You gotta bat to get a hit

Electing progressive women is the most direct way to close the wage gap, the achievement gap and the access gap to reproductive health services.

Of six special elections for the CA legislature this year, we've only added one woman. We are at 32 -- back to where we were in 2010.

Nearly half the Golden State's seats will open in the next two election cycles. Help us identify talented progressive women to run for open seats in 2014 and 2016. Join a search party.

- Friday, July 26 San Diego
- Tuesday, Aug 6 San Jose
- Thursday, Aug 8 Santa Rosa
- Tuesday, Aug 13 Walnut Creek

close the gap CA is a statewide campaign to find talented, progressive women to run and win open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can "close the gap"™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
