What do Abigail Adams, NASA, Warren Buffett, the Dalai Lama and you have in common?

We all believe that institutions excel when women participate.

Watch what some CA patriots say about why we need more women in the legislature (It's the premiere of our new video!)

Hoorah! for Abigail Adams whose revolutionary fever burns in Texas today!

“If particular care and attention is not paid to the ladies, we are determined to foment a rebellion, and will not hold ourselves bound by any laws in which we have no voice or representation.” — Abigail Adams

Hoorah! for NASA. The next class of astronauts is gender balanced. 50/50!

Hoorah! for Warren Buffett who said that the country and business need the contributions of women.

**HAPPY 4TH OF JULY
-close the gap CA**

close the gap CA is a statewide campaign to find talented, progressive women to run and win open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can “close the gap”™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
