Here's our challenge:

Problem: $\left\{ \begin{array}{l} 32 \text{ women today} \\ - 20 \text{ women terming out in '14 \& '16} \\ + 16 \text{ potential elected women in '14} \\ = \underline{\text{Too few}} \end{array} \right.$

Solution: $\left\{ + 16 \text{ talented progressive women in '16} \right.$

**We can solve this problem.

But to recruit strong progressive women in 16 winnable seats in '16, we need the resources to find them all.

You do the math.

Many women won't run unless they're asked. We're asking.

Are you giving?

close the gap CA is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can “close the gap”™ and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
