We've been doing a little fall housecleaning

As we often say, "recruiting isn't expensive, but it isn't free either."

At **ctgCA**, we make the most of our wonderful interns, appreciate our volunteers and are grateful every day for the resources that come our way.

Every woman we send to the Legislature will protect women's health, and work to close the wage gap and the achievement gap. Each one means progress. We've assessed the situation and this fall we need a hand.

Can you help us pay for one of these items essential to recruiting?

ABOUT CLOSE THE GAP CA

Close the gap CA is a campaign to increase the number of progressive women serving in the California Legislature by recruiting viable, progressive women to run for open seats in targeted, winnable districts. The campaign recruits accomplished women who are pro-choice, pro-public school funding and support paths out of poverty. By partnering with CA progressive organizations, close the gap CA aims to achieve gender parity in the CA legislature in 2028.
