Dear Friends,

We did it. Earlier this week, another progressive woman filed to run for the Assembly. We expect several more ctgCA recruits to declare in the coming weeks. Because of supporters like you, we now have progressive women running in 12 of 20 target open seats!

Did you see our full report in your mail this week? In 2016, we have a rare opportunity to elect women leaders who will make all the difference on achieving equal pay, safe and legal family planning, paths out of poverty and so much more.

To make it happen, we need to raise \$180,000. Will you help? Will you make a \$100, \$50 or \$25 contribution today?

Recruiting works: smart, able women are declaring!  
Please pitch in...today.

Running as fast as we can,

**close the gap CA** is a statewide campaign to find talented, progressive women to run for open seats in the California legislature in 2014 and 2016. With focus and a targeted strategy, we can 'close the gap' and not just the gender gap. When we elect progressive women, we take steps to close the school funding gap, the access gap to affordable health and reproductive care, and the growing gap between the wealthy and those in poverty.
