RECRUITING WORKS.

Women of color are the majority of women legislators, making up 18% of the total Legislature—triple the national average of 6%.

Four formerly GOP-held target districts flipped Red to Blue: SD 12 & 14 and AD 16 & 76.

Progressive women won in 75% of CTGCA target districts in 2018.

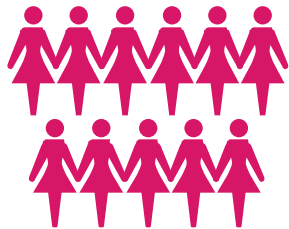

RECRUITING PROGRESSIVE WOMEN WORKS: *today and all the way to 50%*

“YEAR OF THE WOMAN”

- 1992 — Previous “Year of the Woman” saw 5 new women added to the CA State Legislature. 2018 exceeds that record with 11
- 2005 — Women hit all-time high of 37 (31% of the total Legislature)
- 2017 — Women hit 20-year low of 26 (21.5% of the total Legislature)

HISTORIC REBOUND

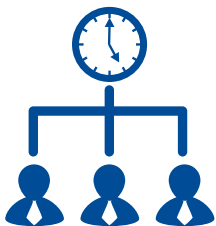

- 2018 — Women rebounded to 36 (30% of the total Legislature) — the biggest net gain to the CA State Legislature in a single year, in history
- After more than a decade in decline, CA now vaults above the national average of 24% women in state houses
- 2020 — We are working with 2020 prospects today
